

# GAME FEATURES

## Multiple Game Modes:

The Road To Championship allows the player to battle through a full grueling schedule, from the bitter rivalries of the Classics to the high stakes playoffs, getting closer and closer to the ultimate goal – the BCFx Black College Football National Championship. The Classics Mode journeys through a season of classic rivalries from the Labor Day Classic to the Bayou Classic, where the user can play their favorite rivalry game in a tradition filled with pageantry and excitement. And Practice Mode is the place to hone those skills, develop a winning strategy, and learn which plays in the playbook will be successful in preparation for battle against your opponent.

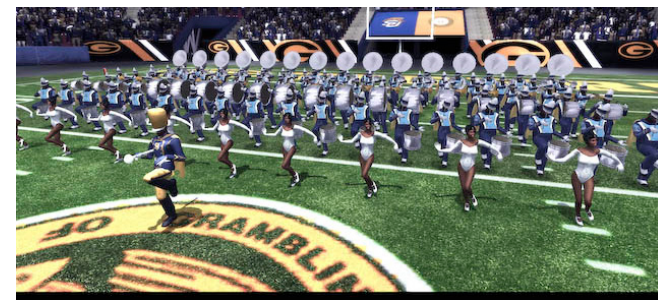

## Drum Line Challenge

The Drum Line Challenge is a rhythm-based

mini game that features head to head Drum Line competition with 3 exciting modes of play as well as customizable playlists. The Drumline Challenge allows the user to perform along with band songs and drum line cadences using a controller or a drum pad peripheral. The playlist includes authentic music from the actual HBCU bands and introduces for the first time ever, the BCFx All Star Band performing band classics like Talking Out Of The Side Of Your Neck, In The Stone, Coming to America, Before I Let Go, Do Whatcha Wanna, Word Up, Morris Brown, as well as popular songs like Get Silly by V.I.C., Put On by Young Jeezy, and Low by Flo-Rida.

## Real-time, Interactive Halftime Shows

Sit back and enjoy the show, or grab the mace and take center stage in these amazing recreations of BCFx's world renowned halftime show performances. From the Southern Human Jukebox to the Ocean Of Soul to the FAMU Marching 100, take control and see if you can perform better than your opponent to gain the momentum going into the 2nd half, because we all know that "Halftime is Game time." You can also play or watch the halftime shows in Experience Mode, where you select
